

IN BISBEE LODGE WORLD

Synopsis Of The Week's News Of The Orders And Societies Of The City

Many of the nobles of the Mystic Shrine are forming a caravan in Bisbee to journey across the hot sands of the desert to Phoenix which will be the state Mecca on the twenty-second of this month. On January 20 a notice to the Nobility went forth that numerous poor sons of the desert were clamoring for the faithful to teach them the way to become a part of the caravan which will start very soon and be granted the good time and the things which the faithful alone enjoy and that a special dispensation from the Imperial Potentate to receive and confer the Order of the Mystic Shrine. A business meeting will be held on February 22 at 2 o'clock and all petitions must be in by 2 o'clock. At 7 o'clock there is to be a street parade and at 8 o'clock comes the general Ceremonial Session under the guidance of director Parker. One paragraph in the booklet that has been received in Bisbee says volumes in a few words and may be quoted: "From 2 o'clock p. m. and during the rest of the evening, lunch will be spread in the banquet hall." Those who know the Shriner think that the idea to be conveyed was that a buffet banquet would be spread in the lunch hall. On the evening of February 23 there will be a reception and dance given the visitors. Local Shriners are also planning to hold a dance in this city sometime during the present month.

Local Knights of Pythias are anticipating busy times within the next few weeks. In the first place a special dispensation has been granted to the Bisbee Knights and this will mean a great influx of members. There are many desirable members who had heard it intimated that a dispensation was to be asked and had waited until this time to take advantage of it. There will be membership elections, initiations and degree work from now on until the dispensation ends and even afterward. Besides the fact of the dispensation there is an added reason to join the K. P. at this time, for in April there will be a session of the D. O. K. K. held in this city for the purpose of installing here a chapter of that subsidiary branch of the Knights of Pythias. This is going to mean a great gathering of "higher-up" Knights and also of just ordinary Knights (if there are any such individuals) in this city for the occasion. From all parts of Arizona will come members of the D. O. K. K. and from many different sections of the new state and from Canada and other northern Sonora parts there will be many novitiates. It is expected that a class of more than 100 will be initiated into the D. O. K. K. on this occasion. For those who are not informed on the subject it may be stated that what the shrine is to Masonry is the D. O. K. K. is to the Knights of Pythias. But good times for the Knights and for the Pythian Sister do not lie so far away as April. At the last meeting, in connection with other announcements it was stated that on the evening of February 20 there would be held at Pythian Castle, jointly by the Knights and the Pythian Sisters a dance and banquet in addition to which there is being prepared a special program which may be expected to be announced by next Sunday in the Lodge Column. The plans of the two orders are to make this affair an important event.

Last night there was a special meeting of Bisbee Lodge No. 671 B. P. O. E. for the purpose of initiation. There were ten novitiates that had not yet been initiated into the lodge and of these more than half in even were on hand to take the obligations imposed by the order. Following the meeting and the initiation there was a vocal concert served to members new and old. It was suggested that in the old days when novitiates were initiated, the novitiates would have been well received, but three days have passed and the idea of initiation now seems nothing to boast from the solemnity of the ceremonies and the obligation. Preparations are being made actively for the Washington Birthday dance. This will be not only a social function but will tend to also emphasize the benevolence of the order in that the novitiates will be initiated in a hall in which a child's room is played in our city. It is understood that a financial contribution has been offered by a gentleman in New York provided the city raises an equal amount and the sum that will be contributed by 671 will make a fine nest egg for such a fund. Interest locally in the state reunion which is to be held in Tucson next month is on the increase. Each day other local members express the intention of attending and the matter of Bisbee joining in the proposed state organization is expected to be brought up either at the meeting on February 29 or at the time of the annual election on March 2.

Delegates from Bisbee left yesterday for Prescott to attend the session of Masons and Order of Eastern Star which is to be held this week at Prescott. The journey from this city to Prescott is a long one, but even if not in distance and requires numerous changes. This knut many who would otherwise have attended the reunion and state grand lodge convention at home and only the delegates made the journey. The delegates who went were Dr. H. M. Woodhouse, Dr. G. A. Bridge, H. M. Woods and George W. Stewart. The Eastern Star delegates are Mrs. Dovie M. Thomas, assistant grand conductress and Annie Le Roy, worthy matron. Great preparations have been made at the Mile High City and the visitors are certain to have an enjoyable time.

Next Friday night the Loyal Order of Moose will hold installation of officers as well as initiation and as the evening will be a long one proceedings will begin at 7:30. Following the meeting, according to announcement, all will adjourn to the new home. At the meeting last Friday night there was a large class initiated and next meeting the class to be initiated will be an even larger one. The membership contest is progressing favorably, the growth of the order is remarkable and interest in this dinner match where members are the points is growing steadily.

BUSY WEEK IS AHEAD OF POLITICIANS BOTH PARTIES

WASHINGTON, D. C., Feb. 10.—Politics is plenty is promised for the coming week. In fact, the week will be the busiest one that the politicians have experienced in a long, long time. The Lincoln Day celebrations will be a cause for unusual activity on the part of the republicans, particularly those of oratorical ability.

President Taft will go to Newark to take part in the Lincoln Day celebration in that city. He will be the guest in Newark of ex-Governor Franklin Murphy and will be given an opportunity to meet some of the leading republicans of New Jersey.

Springfield, Ill., the home city of Abraham Lincoln, will observe his birthday anniversary with a banquet under the auspices of the Lincoln Centennial association. Senator Henry Cabot Lodge of Massachusetts and Representative Frank B. Willis of Ohio are announced as the principal speakers.

Secretary of the Treasury MacVane will add to the gaiety of the republican situation by making a speech to the republicans of Michigan with "What is a Progressive" as his topic. The speech will be delivered Tuesday night at the annual dinner of the Zach Chandler club at Lansing.

Another Michigan banquet at which republican oratory will be on tap will be that of the Calhoun Lincoln club at Albion. Governor Osborn will be the chief figure, with Congressmen J. M. C. Smith of Michigan, C. H. Sloan of Nebraska and Frank W. Mondell of Wyoming as the other speakers. The personnel of the speakers list indicates that many good words will be spoken for Theodore Roosevelt before the evening is over.

A Lincoln Day banquet to be given in St. Louis by the Association of Young Republicans of Missouri will have as speakers Governor Deneen of Illinois and Governor Hadley of Missouri.

Governor Tener of Pennsylvania, ex-Governor Uffer of Rhode Island, Charles M. Schwab and Congressman Howland of Ohio are scheduled as speakers at a banquet to be given by

the Lincoln Republican club of Bethlehem, Pa.

Republicans of the Hoosier State will turn their eyes towards New castle, where a thousand or more of the party leaders are expected to gather for the annual meeting and banquet of the Indiana Lincoln League.

In Colorado, also, the anniversary of the birth of Lincoln promises to be a banner day for the republican party. Republican leaders of all factions have been invited to meet in Denver on that day for a grand "harmony" conference. The state committee will meet to discuss plans for the state convention, a conference will be held by the republican editors, and the gathering will close with a Lincoln banquet at which former Senator Beveridge of Indiana is to be the star speaker.

Aside from the Lincoln day jubilation the chief event of the week on the republican calendar will be the state convention of Georgia republicans, which is to meet in Atlanta Wednesday to name delegates to the national convention at Chicago. Recent reports from the South give evidence of considerable activity on the part of Roosevelt adherents in Georgia and it is reported that they will make an effort to have a Roosevelt man elected chairman of the state committee. The Taft people, however, do not appear worried over the situation and the general opinion is that about the best that Roosevelt follow can hope for is an unopposed delegation to Chicago. A solid Taft delegation is the prediction of the president's friends.

A straw to indicate the way the wind is blowing in Oklahoma will be furnished by the state committee meeting and Lincoln banquet to be held in Guthrie Monday. James A. Harris, chairman of the state committee, is the leader of the Taft forces in Oklahoma and there is little doubt that the round-up at Guthrie will show that the president can count upon the support of the Oklahoma delegation in his fight for renomination.

FLOWER SEEDS HIS FAREWELL

Ralph Cameron Would Make Arizona Resemble the Garden of Mary

SENDS FORGETMENOTS

The fact that Delegate Ralph Cameron has sent thousands of packets of "Forget-Me-Not" seeds to his Arizona constituents has caused the politicians to wonder if the builder of the long and narrow path called Angel Trail has ambitions or calculations for "coming back" on the idea of a political March. Unless senators Smith and Ashurst and Congressman Hayden put "trailing Arbutus" on the track of the "Forget-Me-Not" seed, and shadow them with poppy plants, a million "Forget-Me-Not" will be reminding the voters of Arizona as suggestively as the ghost of the murdered king of Denmark. "Remember me."

The message that flowers tell.

What words could never speak so well.

The Forget-Me-Not may have a message for the people of Arizona that is not contained in the speeches of the delegate from Arizona. Other seeds that have been sent by Arizona's delegate are: eschscholtzia, Kochia, morning glory, sweet peas, zinnia, calendula, candy tuft, Chinese pink, mignonette and poppy.

Have Meanings of Own

Some of these flower meanings are given in the "Review Dictionary" as follows:

Candy tuft—Indifference. Mignonette—Your qualities surpass your charms. Sweet pea—Depart. Poppy—Angust.

Morning glory—September. The eschscholtzia, Kochia, calendula and zinnia are probably used only in code language, as the dictionary gives no meaning for these flowers. For instance, "eschscholtzia" may mean "Watch me wipe him on the bean," and the other too, may be signs of the double cross.

The "bunch" that the delegate has sent out appears to be somewhat contradictory, and it may be capable of several sentiments. It may express something like this: "Owing to your indifference, I must depart from Washington and its precious perquisites; but you still look good to me—in fact, your qualities surpass your charms, and I will be around some time between August and September to see how the flowers are coming along. Don't forget the peas word, Eschscholtzia."

Arizona, quite contrary. How does your garden grow? Read the story of the morning glory.

And forget-me-not, dear ho. Burdick could reach Judge T. D. Burdick has received 3,000 packages of seed, garden seed and flower seed, which he will be glad to distribute to those who will call at his office for them. The big mail sacks full of seed arrived yesterday, and in addition to the flower seed, there are all kinds of seed for the garden. Valley farmers are requested to avail themselves of the opportunity to obtain seed in note of the disposition of the politicians in mole money of Mr. Cameron's flower language. It must appear that Arizona's delegate is still getting all that is coming to his baithook.

"Who can look into the seed of love and tell which will grow and which will not?" Shakespeare asks. Some of them may fall by the wayside among the thorns and be choked to death by their enemies. "Trailing Arbutus" and "eschscholtzia" are his poppy plants, some of them may grow up like the green bay tree or Jack's bean stalk. Who knows? S-b-b-b! "Eschscholtzia."

Y. M. C. A. MEETING

WINGNA, Minn., Feb. 10.—Representatives of the branches of the Young Men's Christian association in Minnesota met here today for the annual state convention. The sessions will continue the next three days, closing Sunday with special church services in the morning and a farewell mass meeting in the afternoon. The convention will have as a general theme, "The Men and Religion Forward Movement," around which most of the speakers have been instructed to make their remarks. Prominent among those who are to deliver addresses are President H. Churchill of Oberlin College, Rev. James E. Freeman, D. D. of Minneapolis, President Ozora S. Davis of Chicago Theological Seminary, Clarence B. Willis of Milwaukee, Dr. George J. Fisher of New York, and A. G. Knebe of St. Louis, international secretary of the Railroad Y. M. C. A.

On the democratic side, the most interesting news of the week probably will be furnished by Governor Woodrow Wilson, who will make a hurried trip to Chicago to deliver one or two addresses on Lincoln day and to confer with some of the prominent democrats in his west. Also of interest will be the democratic presidential primary in St. Louis to select 235 delegates to the Democratic State convention at Joplin. The Joplin convention will determine whether former Governor Joseph W. Folk or Speaker Champ Clark shall have the Missouri indorsement for president.

LOVE LYRICS OF A RANCH GIRL INTRODUCED.

Twins at a dance a week ago That first we met; he bowed quite low When he was introduced. "May I Have the next waltz?" he asked. Oh, my way.

Did I refuse and toss my head, Yet half regret the words I said? "It's taken, and the next is, too." And then he turned around and flew. Why did he back away so free? Why don't he try coaxing me?

"STRAYS."

He rode up to our ranch today, And claimed he's looking for a stray. He talked for quite a while to dad—Looks funny that the fellow had To take up nearly half a day. With talking of a single stray, But finally away he went; I peeked and watched him as he sent His horse along just like he's glad; And then like him I talked with dad.

INDIFFERENCE

Last night he stopped in and he stayed To supper, and he set and played Some cards with dad and joked so free. Yet somehow he did not see. I wonder if he thinks I care—One way or other—when or where He is or what he ever thought! But still I think he hadn't thought—I'm sure I do not care a cent—Yet I stayed up until—he went.

DUMBNESS

On Sunday last he called, and I My heartiest best did try and try To entertain him with the news, The stereopticon and views. And played the organ; yet right there He set and twisted in his chair. And looked at me—I had to laugh—As helpless as a real young calf. His words seemed in his throat to stick.

I wonder if the poor boy's nicks! SWEETS.

Today he came a-riding down. And brought me candy from the town; And then I asked, "Is this for me?" And then he said, "You bet it be!" I felt so queer I let him stand And for a moment held my hand. "That candy's sweet," he said, "Is true. But there's none made as sweet as you."

And then I laughed and looked away. For there was nothing I could say. DREAMS. I dreamed of him last night and thought He came to me and quickly caught Me in his arms and told me all Those love names that a man may call. The girl he thinks his heart's desire; And then I dreamed a prairie fire Came sweeping up on every side. And he saved me and then I cried Upon his shoulder strong and nice, And then he leaped and kissed me twice.
